3 16 EXPLANATION

3 17 This bill makes changes in the administrative modification
3 18 provisions for child support orders. The bill amends the
3 19 eligibility criteria for the review and administrative
3 20 modification of a child support order.

3 21 The bill requires a written request for review and
3 22 administrative modification, and requires submission of
3 23 supporting rather than verified documentation regarding a
3 24 substantial change in circumstances. The bill also changes
3 25 the basis for establishing a substantial change in
3 26 circumstances from circumstances relating to a specific change
3 27 in income to specified situations constituting a substantial
3 28 change in circumstances.

3 29 The bill provides that if a parent is requesting an
3 30 administrative modification based on any of the newly
3 31 specified substantial changes in circumstances, the parent may
3 32 also submit a request to the child support recovery unit for
3 33 assistance in establishing support for the child. The bill
3 34 directs the unit to adopt rules to provide for an expedited
3 35 process to provide for administrative modification of an
4 1 existing order and establishment of support for the child,
4 2 concurrently.

4 3 The bill also provides that if the unit is administratively
4 4 modifying an existing order and establishing support,
4 5 concurrently, the unit is to determine the child support
4 6 obligation of both parents or parties in the manner required
4 7 by the rule relating to split or divided physical care of a
4 8 child under the child support guidelines.
